

Objective

I would like to maintain a professional position as a graphic designer, design manager or Art Director to further my skills in the graphic arts industry.

Education

Ivy Tech (IN) *Studied Drafting & Architecture*.....1998 - 2000
HighTech Institute (TN) *Studied Web Design & Animation*.....2002 - 2003
Nossi College of Art (TN) *Studied Graphic & Web Design*.....2004 - 2007

Experience

- Proficient in Adobe Photoshop, Illustrator, Indesign, Dream Weaver and Acrobat (CS6 Master Collection) with additional skills in Microsoft Office 2011 | 12 years experience with hand drawn original art
- 10 years of experience multi-tasking with different design projects and managing multiple client projects from day to day and seeing them through to meet every deadline
- Seeing projects through the clients eyes to become an actual visual image then coordinating print services to complete the job into the client's hands
- Worked side by side with Board of Directors and managed numerous 40 to 50 page presentations to help build a large data network between insurance providers for MarketingSignals Group, LLC
- Assisted and managed several business start-ups to include: Website, Stationery, Marketing Materials and products for Fusion Skate Co, Bala Soccer Co and B10 Hockey
- 3 Years experience as a web master - Managing and updating live files - assisting with google local and analytics for site up keep and stats - The Pool Doctor of Florida
- Spent the last 2 years as the off-site designer for Pinellas Indoor Soccer Academey - Tasks include: Business card updating, Event flyers and banners and designing all other marketing materials
